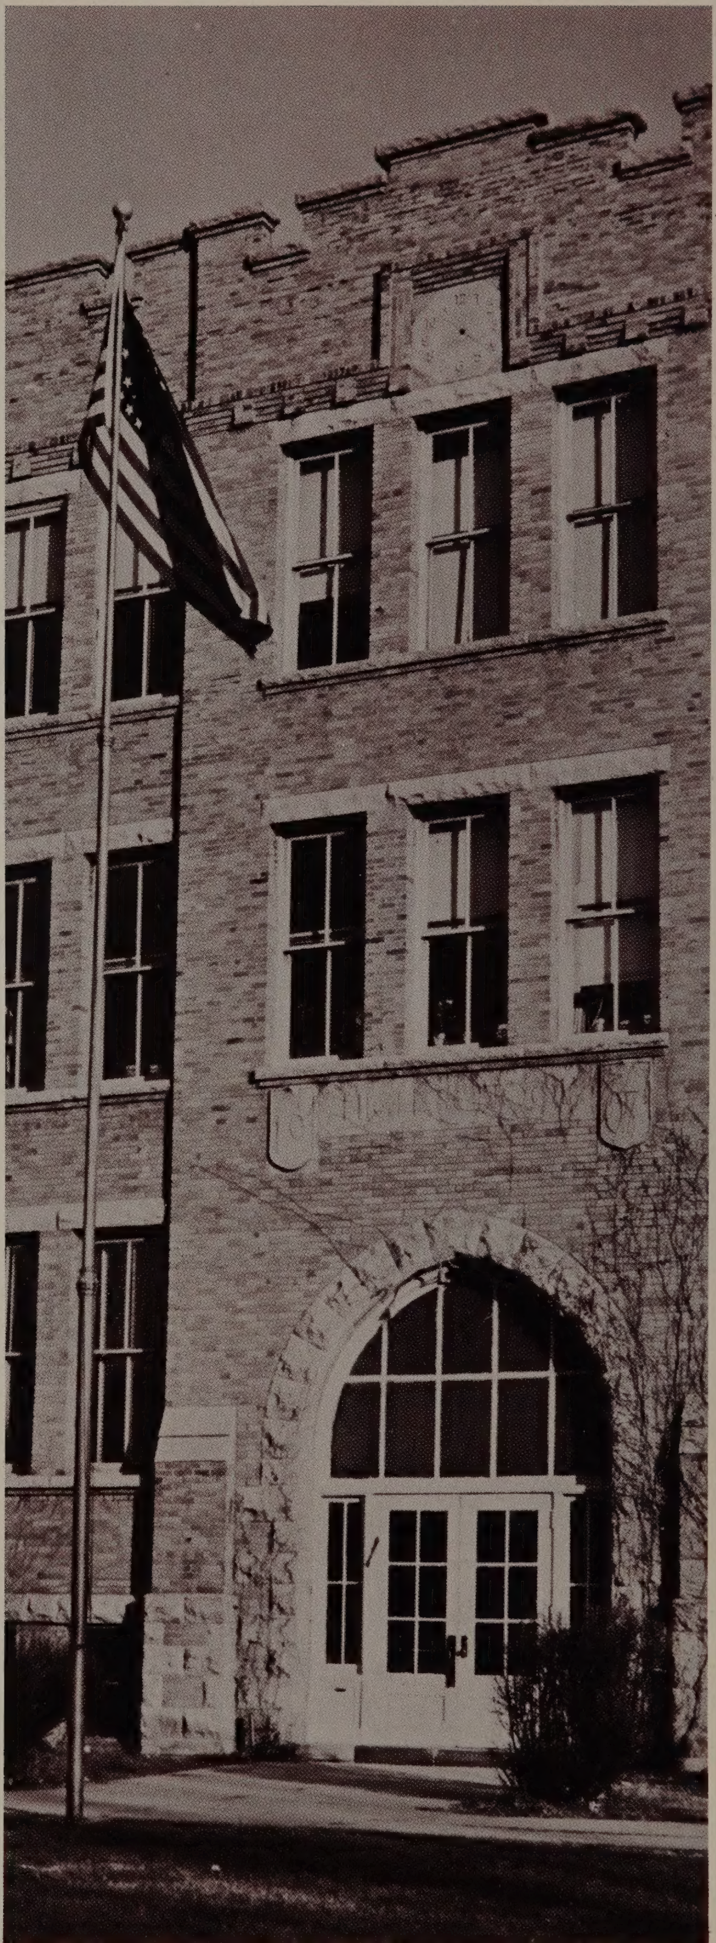
Foreword . . .

WE LIVE IN DEMOCRACY



because of this FLAG which symbolizes the true value of life to us Americans and — — —

THE FREEDOM SHRINE

— — — because of these LAWS which have been constructed to uphold that value, we as future citizens of these United States should never take our Freedoms for granted or endanger them in any way!

DEDICATION

We, the Staff of 1958, do hereby dedicate the CHANT to . . .

. . . THE STUDENTS . . .

. . . who in our estimation Portray the GREATEST Living Drama of our Day

HIGH SCHOOL SONG

Bellefontaine High, pals you and I,
Shrine of my school days' devotion;
One thought of thee
Bringeth to me
Tenderest heartfelt emotion.
As 'round the oak
Ivy doth climb
Our heart 'round thee entwine.

CHORUS

Bellefontaine High for me,
Pals we shall ever be.
Through all the years of memory
You will be dear to me.
Though parting brings a sigh,
Old pals must say good bye;
Though I may go
Tenderest memories I know
Will cling 'round Bellefontaine High.

Bellefontaine High, pals you and I
Since to your guidance we came,
Like some bright star
Your light shines afar
Leading to honor and fame.
Through all the years
In joy and tears
We shall thy praise proclaim.

Words by Mrs. C. B. Churchill

ADMINISTRATION

Dear Seniors,

Today we are on the threshold of atomic power, man-made satellites, and interplanetary explorations. It is impossible for us to look into the future with any large degree of clarity or certainty — yet we can be quite certain that the more we learn of the laws of nature the greater become the opportunities for achievement — and the greater becomes the need for learning to live together harmoniously. May we learn to be good citizens, not only of our beloved America, but also of the World, . . . yes, even of the Universe!

In 1980 you people by whom and about whom this book is written will be the adult population. You will be doing the work, making the plans, teaching the youth, determining the laws, carrying on the business, developing the philosophy of the day. At that time it will be of great interest and value to you to be able to turn through the pages of this book and renew acquaintances and re-live parts of these happy days which are depicted herein.

Congratulations to the staff of the CHANT for producing this fine publication.

FOOTBALL

The Chieftains enjoyed most the first game of the year when they beat their traditional rivals, Urbana. After losing two straight games to Sidney and Lima Shawnee, they beat Wapakoneta, Celina, and St. Mary's, and then lost to Van Wert and Northeastern and finished the season by beating Kenton. Their record was a very respectable five wins and four losses.

Larry Park was selected for the "ALL W.B.L. Team." Dick Ritter was chosen "Outstanding Player of the Year," Jim John, "Outstanding Defensive Player," and Gene Barger and Larry Park were chosen as co-captains.

The little Chieftains pictured below is a team composed of seventh, eighth, and ninth graders. They played many games this season with neighboring schools. The thought in their minds was always to improve their playing ability and to become good enough to get a starting berth on the varsity.

BASKETBALL

This year's basketball team had a winning record for the second straight year at Bellefontaine High School. They were third in the W.B.L. Like all teams they had their good nights and then they had their bad nights. The highlight of the season was when they defeated the co-champions of the league, St. Mary's. Mac Smith was "Most Valuable Player," on the W.B.L. 1st team and won the "H. A. Dodd Foul Shooting Trophy," Dick Artis received honorable mention on the W.B.L. team, Pete McCracken was chosen for 2nd team, and Larry Park was the honorary captain and received honorable mention on the W.B.L. team.

The Junior High Squad pictured below played games with surrounding schools and received valuable practice to help them in years to come.

Dick Artis tags Ed Cole with Gary Rhea and Dale Humphreys assisting the play.

With a little luck the baseball team might have had a winning season. They lost four games by one run. At the end of the season they won four straight games and ended the season with a five won and eight loss record. They were tied for second place in the league with a four won and three loss record. There was only one graduating member on the team. He was the catcher and four year letterman, Howard Lambert.

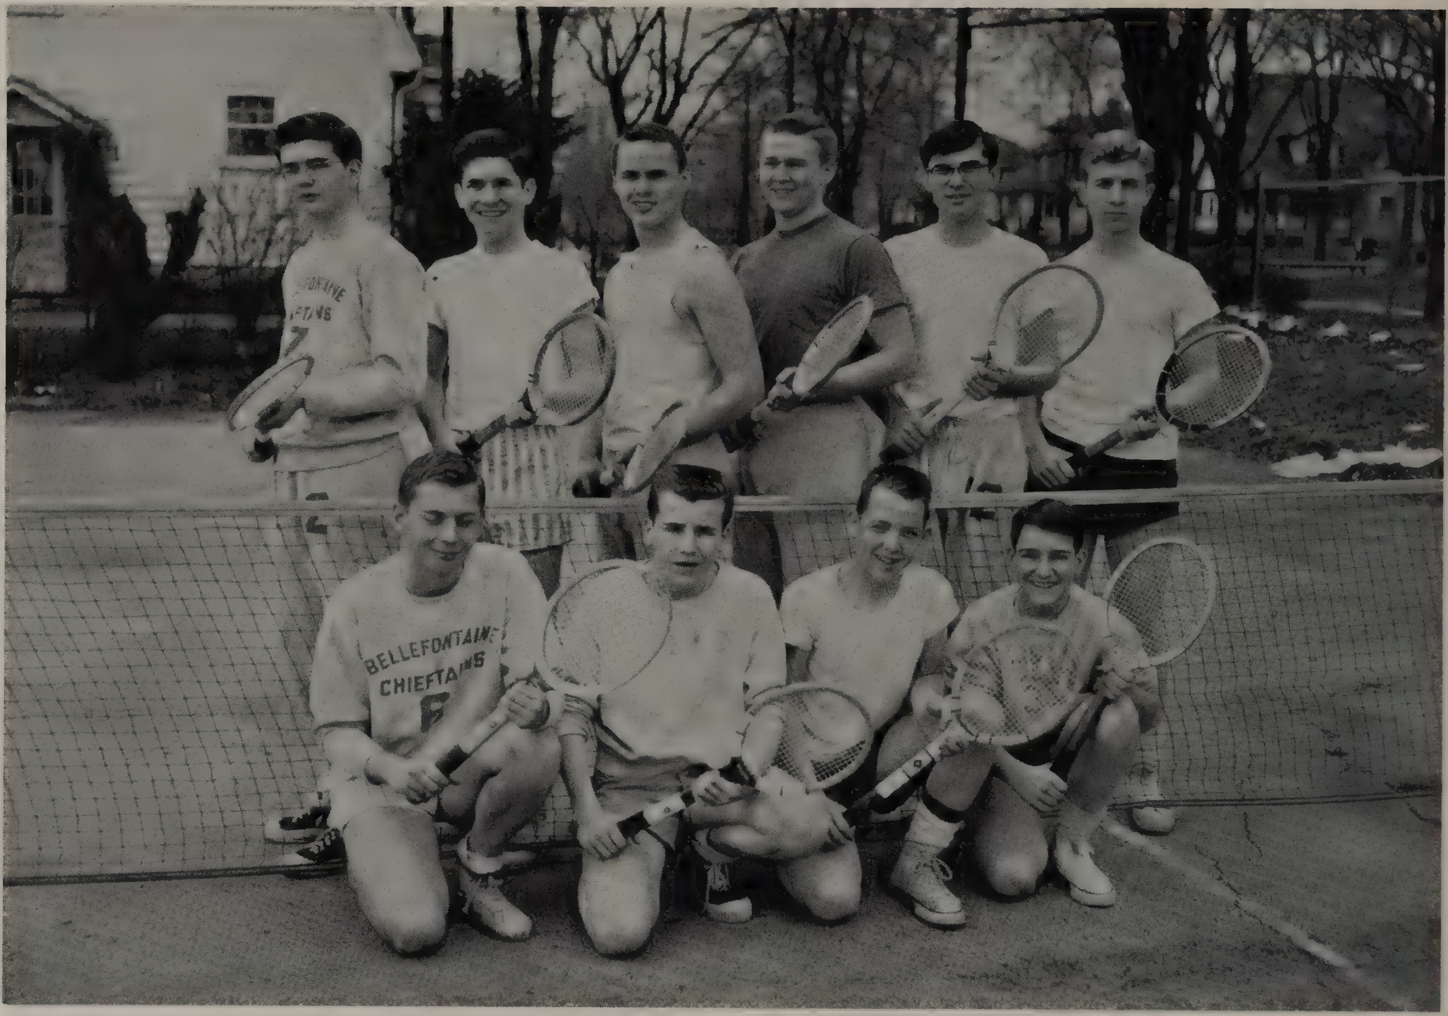
TRACK SQUAD

FIRST ROW: D. Sinclair, M. Shepherd, B. Bower, D. Wren, D. Smock, J. John, H. Hanaway, G. Bodenbender, M. Smith, J. Goslee. SECOND ROW: R. Jackson, H. Hicks, J. Bugler, J. Kuenzli, J. Lee, J. Parker, R. Heilman, R. Pool, E. Hicks, M. Earick, B. Falvey. THIRD ROW: T. O'Connor, G. Yoesting, D. Sibley, T. Rannels, D. McCracken, D. Traul, J. Cira, R. Tennant, D. Ritter, C. Newman.

The track team had some outstanding players, but as a team was inexperienced. Some highlights of the season were Dave McCracken's breaking the school high jump record with a jump of 5' 11", and Harry John's breaking the school's and Western Buckeye League's shot put record with a heave of 48' 4¾". Harry also took first place in the shot put at the Upper Arlington Relays. Some members of the team went to the Dayton District tournament but they failed to place. Their final record was 1 win and 4 losses.

Dave McCracken takes a warm-up jump.

TENNIS SQUAD



FIRST ROW: F. Costin, A. Weymouth, J. Hartzler, T. Barrett. SECOND ROW: K. Paxton, J. Rubin, J. Humphrey, J. Hadley, J. Enoch, A. Jones.

"three year lettermen"
Jim Humphrey, Dick Traul, Jim Rubin.

This was the first year that tennis was an organized sport at Bellefontaine High School. The team played four matches. They lost three of these and tied one. The five boys who played were Jim Humphrey, Jack Hadley, Jim Rubin, Allan Jones, and John Hartzler. Allen had the best record for the year. He won all but one of his singles matches and he and Jim Rubin were undefeated in doubles. Mr. Wothe coached the team this year.

GOLF SQUAD

FIRST ROW: E. Hawkins, B. Poole, K. Hanaway, G. Luring, D. Raley, M. Miner. SECOND ROW: T. Rayan, R. Boone, B. Luring.

The golfers had the best record this spring. They ended the season with a very good 8 won and 2 loss record. The boys who played were 1st man, junior, Burt Luring; 2nd man, senior, Ed Hawkins; 3rd man, sophomore, Terry Ryan, and fifth man, senior, Dick Raley. The team also went to the Dayton District tournament, but because of a little bad luck failed to place.

Burt Luring defeated Ed Hawkins in the Jaycee Golf Tournament by one stroke.

Besides the regular duties of Student Council, this year the members sponsored a drive for the collection of used clothing during the first week of November. Students contributed approximately one hundred and fifty pounds of clothing for needy children of foreign countries.

Student Council also voted to change the method of electing cheerleaders. In the future the student body will elect two of eight who have been chosen by vote of the county physical education teachers to try out before our school.

Mr. Freeman, who will be leaving us this year, has served faithfully and efficiently as the sponsor of Student Council for twenty-two years.

NATIONAL HONOR SOCIETY

On Thursday, April 17, twelve seniors and seven juniors were inducted into the National Honor Society. The "tapping" of the new members by old members was followed by a candlelighting service. The members signed the Honor Society register, received membership cards and certificates of honor, and recited the pledge which was led by the president, Howard Lambert.

Membership in the National Honor Society is the highest honor a high school student can receive. Members are elected by vote of their fellow students and the faculty. Members chosen are the upper five per cent of the junior class and the upper fifteen per cent of the senior class on the basis of the qualities of leadership, scholarship, character and service.

An impressive installation service of Hi-Y officers and new members was held in the fall at the First Lutheran Church. Mr. Watkins, who became the teacher in charge of Central School, left his job as sponsor of Hi-Y to Mr. Fritzlan.

Hi-Y, together with Y-Teens, sponsored a dance called "Spring's First" on March 21, to raise money for the clubs' treasuries.

To show their appreciation to Mr. Freeman, Hi-Y presented him a gift of seventy-five dollars.

The Y-Teens, a branch of the Young Women's Christian Association, held many worthwhile meetings this year. In the fall, the dedication and consecration service of the new and old members was a thrilling experience.

At Christmas time, Y-Teen members held a Christmas party for the Logan County Children's Home, where all the children received delightful gifts.

At a tea for their mothers, some of the members modeled types of clothing appropriate for different occasions.

In the spring, the new year's officers were formally installed at an impressive meeting.

FUTURE NURSES ASSOCIATION

The Future Nurses' Asssociation was sponsored by Miss Irick, the school nurse. F. N. A. members studied many phases of nursing at their meetings. They enjoyed a visit to the University Hospital in Columbus and also took a tour of the Lima State Hospital. At Christmas they undertook a special project of making stuffed animals and toys which were presented to children in the hospitals.

FUTURE HOMEMAKERS ASSOCIATION

The Future Homemakers of America through their various activities learned to economize in consumer buying. They have learned the importance of safety in the home and the prevention of common accidents.

During the Christmas season the members of F. H. A. enjoyed their annual Christmas Party. In keeping with the season, they, along with the members of Latin Club, contributed money to the Crippled Children's Fund.

At their style show the Future Homemakers proudly modeled before their mothers and other members new spring outfits which they had made. Other highlights of the year were the presentations of various awards of achievement and the State Homemakers Degree in the spring.

PYTHAGORAS

Students taking plane geometry or higher mathematics may become a member of Pythagorean Club. Mr. Saltzmann, who teaches plane geometry, is the sponsor of the club. The purpose of the club meetings has been to teach the members some of the more interesting things in mathematics. At one of the meetings there was an interesting review of a book based on mathematics. The members of Pythagorean Club studied the Mobius strip, learned synthetic division, statistics on the slide rule, and applications of plane geometry. At Christmas they had a party where everyone enjoyed playing games.

Each year Tri-Teens works hard during the school year to earn enough money to sponsor several girls at Summer Conference. This year was no exception and the girls earned enough to send four representatives. They made over $150 selling shoe polish, stationery, and fountain pens.

One of the highlights of this year was a talk by Mr. Bauders, the minister of the Methodist Church of Bellefontaine. He gave an excellent talk entitled New Year's Resolutions.

PHY-CHEM CLUB

FIRST ROW: B. Guy, S. McNeill, E. Rosner, D. Winder, J. Enochs, C. Sprankell, B. Newman, B. Brown. SECOND ROW: J. Goslee, F. Wood, T. McMullen, J. Tabor, J. Lee, R. Early, C. Griffin, C. Gebby, K. The members of Phy-Chem Club learned scientific facts about physics and chemistry through discussions on interesting topics of science. They also enjoyed two movies "Arizona and Its Natural Resources" and "The Fossil Story."

Some of the experiments conducted by various members of Phy-Chem were "the barking dog experiment," a dust explosion, and an experiment illustrating the principle of the submarine.

Mr. Lautenbach, the sponsor, was in charge of a meeting where he explained magnets and showed their lines of force.

One's knowledge of physics and chemistry is supplemented by facts learned as a member of Phy-Chem.

FIFTH ROW: Mary DeBow, Carol Lindeman.

A hike to Hopewell Dairy where the members of Biology Club saw how milk was processed and prepared for use was one of the most interesting meetings of the year. Fascinating scientific experiments on dry ice, "burning designs," and invisible writing were conducted at one of the meetings. The club also enjoyed a film on Ohio's natural resources and Mr. Geist's slides of flowers, trees, and natural objects. At one of their meetings biology club members brought their hobbies for a hobby show. In order to raise funds for the treasury they sold concessions at a basketball game. On a hike to the Fish and Game Farm the members of Biology Club enjoyed their self-prepared suppers.

the V. I. C. Club made money by washing cars.

One of the most active organizations of this school is the Vocational Industrial Club. The V.I.C. members helped in the clean-up campaign by painting and distributing trash cans. At Christmas they sold boxes of chocolates to raise money for the club's treasury, helped decorate the community Christmas tree, and gave assistance to a needy family. They took charge of the collection of money for the March of Dimes. Their club meetings have been both educational and entertaining. The V.I.C. boys held a two-day car wash which also provided additional funds for the treasury. The club members toured our local industries and also those of other communities.

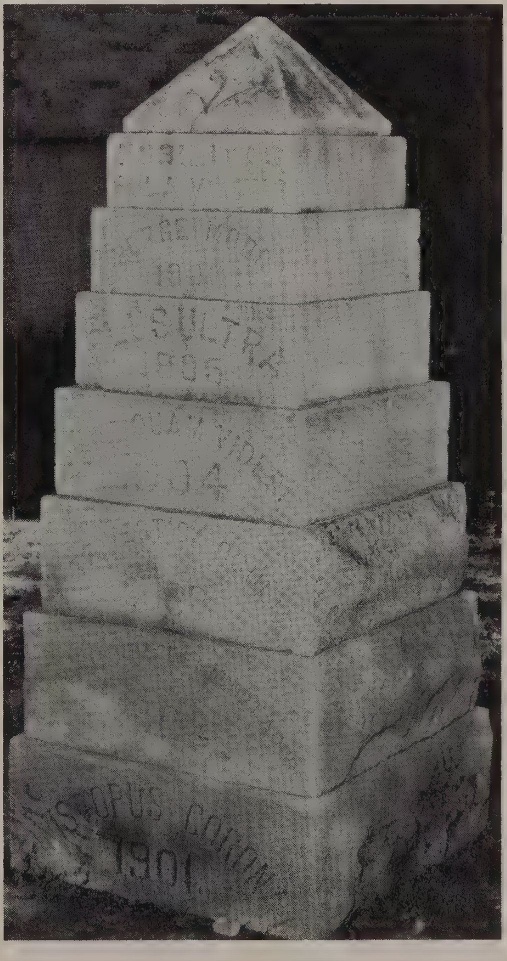
The two Latin Clubs, Legio Nona and Romani Hodierni, are alike except that Legio Nona is for first year students and Romani Hodierni for the advanced students. Two have charge of the program at each meeting, where they play games, have contests, or learn facts of mythology or other information about the Latin language. At Christmas they held a party in the cafeteria and were entertained by talent of the school. On Valentine's Day they made valentines for each other on which they wrote verses in Latin. Latin Club is always climaxed by a picnic one evening during the last week of school.



Nobility is the only virtue
Only go forward
More beyond
To be rather than to seem
Turn your eyes on high
No excellence without great labor
The end crowns the work

The club was made up of representatives from each homeroom who are in charge of the Red Cross drive in November. This year, the club collected $56.55 for the American Red Cross of Bellefontaine which is headed by Mrs. Young.

On February 15, Pythagorean Club joined Junior Red Cross to sell at the basketball game. The money earned was put in the treasury to be used for Junior Red Cross projects as seen fit by the club.

LIBRARY ASSISTANTS

There were twenty-two students who volunteered to give up their study periods to work in the school library. They had various duties such as checking out reference books, shelving books, and delivering attendance slips to Main.

Working in the library gave these students an opportunity to learn the fundamentals of library work, such as the Dewey Decimal System. Each person is on duty one period a day and they usually work in teams.

CO-OP

A part of the school curriculum is Co-op, a plan that enables a student who has taken the required commercial subjects, to work in offices of business firms of Bellefontaine after he has attended school one-half of the day. Some of the students work in the school offices. By taking this course students may carry on a job while applying their education in actual working experiences.

Dino Falcaro, who was ably portrayed by Jerry Jenkins, was a juvenile delinquent just recently released from a reformatory. Through the efforts of an understanding psychotherapist, Mr. Sheridan, played by Mike Hackett, and the love and sympathy of Shirley Wallace, portrayed by Franny Wood, Dino learns to adjust himself to a new life.

On March 28, the senior class of 1958, combined their talents with hard work to present "Kind Lady," a play by Edward Chodorov.

The plot showed how a dignified and aristocratic middle-aged Englishwoman, played by Mary Kennedy, was slowly surrounded by a family of clever crooks who imprisoned her in her London home and convinced her friends and family she was hopelessly insane.

The male lead was ably portrayed by Jim Humphrey. Mr. Paul Saltzmann directed the play.

This year, after many long hours of practice, under Mr. Thorley's direction, the band performed at all football games and pep meetings helping to boost the "school spirit." The band also took part in special holiday events and in competition with other bands. At the Peony Festival last summer, it won a trophy for its excellent performance. After the regular marching season, it entertained the public and also the students of the elementary schools with a children's concert.

The band members will greatly miss Terry Burton, the capable drum major, and the two senior majorettes, Nancy Fowler and Marcia Eckhardt.

The Bellefontaine High School orchestra appeared at the junior and senior plays and Drama Night to provide the audience with delightful music before the plays and during intermissions.

Besides presenting its annual concert with chorus in the spring, the orchestra presented with the band, a concert, "Winter's Fantasy." These presentations would not be possible without Mr. Stang's tireless efforts in directing the orchestra.

No high school curriculum is complete without a good, well-organized orchestra.

Mr. Stang at his best.

Besides directing the high school marching band, Mr. Thorley finds time in his busy schedule to direct a dance band called Swing Teens. All of the members of Swing Teens also play in the high school band. Swing Teens has practice once a week to prepare for its appearances at the Youth Center where it provides delightful dance music. Swing Teens also presented music for dances at Quincy and DeGraff.

The high school chorus presented its annual operetta entitled "Medics and Merriment." It was the story of the adventures of the patients, doctors, and staff at Drinkwater Lodge, a rest home.

Besides presenting the operetta, the chorus furnished sacred music for the Thanksgiving and Easter assemblies. In the spring, the chorus presented with the orchestra its annual concert. The Bellefontaine High School Chorus entered competition with other schools at Piqua, in the spring, and received an "excellent" rating.

"a familiar sight to all of us!"

The members of the *Hi-Life* staff are kept busy finding the latest news, compiling it, and making it into the pages of our outstanding school paper. Through it the editors exercise the right to freedom of the press, by writing editorials in which they voice opinions that help in improving the school system. The senior editors, Loralee McNeill, Joan Martin, and Mary Kennedy, with the assistance of Miss Otte, supervise the writing and editing of Hi-Life. Next year the staff will miss the services of Mr. Freeman, who has freely contributed excellent photographic work in the past.

The members of the Girls' Athletic Association were especially busy this year with many interesting and varied activities. The first project was a tea planned to honor their mothers the evening of the formal initiation.

The girls enjoyed bowling so much they decided to make it an annual event. The juniors were the first to gain possession of the new bowling plaque when they beat the seniors.

Other activities this year included the annual swimming party, and they adopted a little girl for Christmas. They also furnished the athletic awards for girls.

On March 27, 1958, an assembly sponsored by G.A.A. and made possible through the efforts of the whole school, honored our beloved principal, Mr. P. Q. Freeman.

Mr. Freeman was retiring from his position in a few months and the students wished to give him a token of their appreciation. The token consisted of a brand-new television, television aerial, and two years' subscription to *TV-Guide*.

As he and his wife were presented with the gifts, everybody in the auditorium rose in standing ovation. Mr. Freeman smiled as if to say, all those past 30 years in education were worth it to me, just for this moment. "It was worth it to us too, Mr. Freeman."

We live in Democracy . . . Never before was the value of a vote held so high in the halls of B. H. S. as during the week of April 14-16. The parties, the Sputniks and the Little Mavericks, battled through the campaign as though success meant everything. Each side was trying to get the upper hand, the gimmick necessary to catch the eyes of the voters.

The record of the vote is not so important as the lesson it teaches to all of us. The majority of the voters took their time and thought before they put their "X" by the candidates name. We live in democracy and because we do, we should always be aware of our right to vote whether it is in school or at the real polls in the future.

HEAVEN ON EARTH

if it rains it'll be a shame!

hold it, I think you're going to like this picture!

CELESTIAL EVE

On May 16, 1958, the Juniors gave a memorable prom, *Heaven on Earth,* for the Seniors. It was effectively carried out and high-lighted by such things as a large book in which all the names of the juniors and seniors were written, a golden gate where each guest entered and walked down a cloth-covered ramp, and a mural with a rainbow and fairy-castle covering one of the walls, and a pale blue canopy with golden stars and cotton clouds hanging from it.

As each boy and girl entered, they were given a miniature program. On the gym floor were small tables decorated with gold moons, stars, and angel hair where the guests sat. They were served punch and cookies by sophomore boys dressed in cassocks and surplices. Karl Beach and his orchestra provided melody and mood for this momentous evening.

At 10:30 a program of junior talent was presented with Jerry Jenkins as Master of Ceremonies. Franny Wood sang the theme song, four boys gave a barber shop interpretation of two old standards, and "Texan" Ed Cole gave a comical monologue. At midnight the evening ended for the great Junior-Senior Prom but began again at the equally beautiful after-prom sponsored by the junior mothers.

CLASS SONG

The time has come to say goodbye to you, Bellefontaine High.
You've helped us in our plans and dreams and set us on our
way.
Though we depart yet in our hearts we know you'll always
stay.
We shall remain through all the years as loyal as today.

To school among the falling leaves, the frolics in the snow,
The windows wide to the balmy breeze as seasons onward go,
The joyful bedlam in the gym, the quiet study hall,
The shop, the classroom and the lab, how we will miss them all.

But though the years bring grief or joy, however far we stray,
Our lives can never leave behind these years so glad and gay.
So now, good friends, we say farewell and with a parting sigh,
Leave faculty and all we've known at dear Bellefontaine High.

EDITOR'S NOTE:–

Down this corridor walks a student who has before him a bright future. High aspirations, accompanied by earnest effort, will make him a success.

Fellow students, as you walk down this corridor for the last time on your way to the commencement of adult life, remember to keep close and true those hopes and ideas that are dear and meaningful to you. When you study for those exams in college or work at that job you have picked out, do it well so that you and everyone who knows you can be proud. In this way you may serve as an example to the others who will be coming down the corridor behind you.
